Submit a Waterworks Operator Certification Application

New User Login Instructions

1. First-time users must start by creating an account for Washington Certification Services' Waterworks Operator Certification Application.

   Note: Contact Washington Certification Services at 253-288-3357 or email them at wcs@greenriver.edu if you experience problems with the application website.

2. Get started at https://wcs.greenriver.edu/wcs-cert-app/Identity/Account/Login

3. Select the "Register as a new user" button:
4. Enter the email you would like Washington Certification Services (WCS) to keep on file for all communications from both WCS and DOH: Office of Drinking Water. Then enter a password that is at least 8 characters, avoiding using words or common number sequences. We recommend you include at least one special character. Enter that password again in the Confirm Password cell. Click Register.

5. You should see this notification:

Register confirmation

Please check your email to confirm your account.

6. You will receive an email from wcs@greenriver.edu with the message below. Click the "clicking here" link:

Please confirm your account by clicking here.

7. You will be sent to a webpage that has this message:

Confirm email

Thank you for confirming your email.

8. If you don't see a button or link to return to the login page, do so by going to https://wcs.greenriver.edu/wcs-cert-app/Identity/Account/Login

9. Login on the Waterworks Operator Certification Application Login page using the email and password you submitted when you registered with this WCS platform (see step 4 on this document). Click Sign In when you have entered that information.
